STATEMENT OF INTENT

The government expects **all** schools to have wraparound childcare on the school site, unless there is a reasonable justification not to, having considered all support available.

Wraparound childcare is defined as childcare that ‘wraps around’ the conventional school day, i.e. provision directly before and after the school day, during school term time for school-age children. It also refers to childcare provision in the school holidays.

There are many benefits to wraparound childcare, for children, families and schools. These can vary, but may include:

- Enabling parents to work or study.
- Supporting vulnerable children.
- Offering enriching activities that children enjoy.
- Attracting parents to the school.
- Supporting a soft start to the school day and attendance.
- Investing fees into the school or community facilities.

Hartburn Primary School believes in creating a safe, welcoming and stimulating environment for all the children in its care and will support parents to access affordable and convenient wraparound childcare by delivering, or facilitating provision that is child-centred, easily accessible, and responds to the needs of their families.

- Ensure that any additional staff (both paid and volunteers) recruited for the childcare service complete an enhanced DBS (with barred list) check before they care for children.

3. WRAPAROUND CHILDCARE: AN OVERVIEW

3.1 The school is aware that the government expects **all** schools to have wraparound childcare on the school site, unless there is a reasonable justification not to, having considered all support available.

Wraparound childcare is defined as childcare that 'wraps around' the conventional school day, i.e. provision directly before and after the school day, during school term time for school age children. It also refers to childcare provision in the school holidays. Provision should:

- Be regular.
- Have longer hours.
- Be more dependable for working parents.
- Not require parents to pick their children up from school and drop them off at another location.

3.2 The school understands that wraparound and holiday childcare can be:

- On a school's site, run in-house by the school or in partnership with a provider.
- At a nearby school or private, voluntary or independent (PVI) provider

3.3 The school is aware that parents, and prospective parents, can request that the school considers establishing wraparound or holiday childcare. The school will consider and respond to requests from both parents and PVI providers.

The school is aware that parents can make a request for children from reception up to the end of KS3, i.e. Year 9, and, for disabled children, up to the age of 18.

Provision will be made available to children aged 3 to 11.

In line with DfE recommendations, where there is demand, the school will also consider wraparound or holiday childcare for children under the age of 5, or for Year 10 pupils and above.

4. HEALTH AND SAFETY

4.1 The school will ensure that all members of staff at the school are aware of their responsibilities and duties as set out in the school's Health and Safety Policy. All members of staff will be responsible for:

- Recording incidents, accidents and near misses.
- Maintaining a safe environment for children and adults.
- Taking part in any relevant health and safety training.

5. SAFEGUARDING

5.1 The school will consistently operate on the basis that safeguarding and promoting the welfare of children is everyone's responsibility.

The school will ensure that its wraparound childcare provision is a safe and happy place for children, that parents feel confident that their child is well looked after and that robust safeguarding arrangements are in place.

5.2 The school will ensure that all members of staff and volunteers are suitable to be working with children in wraparound care – anyone without the appropriate checks will be supervised by a member of staff who is permitted to undertake regulated activity with children.

5.3 Child protection and safeguarding extends to all wraparound care provision, and the school will ensure that all staff and volunteers involved in the provision of wraparound care have read and adhere to the Child Protection and Safeguarding Policy.

The Child Protection and Safeguarding Policy is provided to all staff and volunteers involved in wraparound care upon induction.

5.4 The school is aware that it is responsible for ensuring appropriate safeguarding policies and processes are in place, and that its arrangements for child protection will apply to any childcare provision provided by the school on-site.

The school will ensure that it:

- Follows the statutory guidance in KCSIE.
- Meets the Childcare Register's requirements, even if it is not eligible for registration on the Childcare Register.
- Makes sure that all staff receive safeguarding training and that they know the identity of the Designated Safeguarding Lead, or deputies, and how to contact them.
- Makes sure that all staff, including volunteers, have obtained an enhanced DBS check.
- Makes sure it has appropriate policies and procedures in place to identify and deal with safeguarding incidents quickly.
- Follows the safeguarding and welfare requirements within the EYFS statutory framework when children in Reception year or younger are being cared for.
- Ensures that volunteers are properly supported and given appropriate roles, and that it continues to follow the checking and risk assessment process set out in part three of KCSIE.
- Prohibits a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

6. INCLUSION

6.1 The school understands that, under the Equality Act 2010, it has a duty to:

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality between different groups.
- Foster good relations between different groups.
- Promote mental health and wellbeing.

6.2 The school will ensure it adheres to the statutory requirements set out within the Equality Act 2010, and acts in line with the school's Pupil Equality, Equity, Diversity and Inclusion Policy.

The school will ensure that all wraparound providers make childcare inclusive and accessible for all children, including children with Special educational needs and disabilities and children considered vulnerable.

The school will make sure that wraparound childcare provision is inclusive and considers the following:

- Having an appropriate offer for children with Special educational needs and disabilities, including appropriate staff-to-child ratios
- Making sure all staff are appropriately trained to deliver high quality, accessible and inclusive provision
- Having a plan to ensure it can identify the needs of children with Special educational needs and disabilities – this may include working with school Special Educational Needs Coordinator.
- Understanding its responsibility to have arrangements in place to safeguard and promote the welfare of children
- Having properly vetted staff, both paid and voluntary, before they care for children
- Ensuring all staff are appropriately trained to deliver high quality, accessible and inclusive provision.
- Speaking to families regularly to understand individual needs and how these may change.
- Determining what transport arrangements may be necessary.

6.3 Where necessary, the school will make reasonable adjustments for children with disabilities to access the provision. Where reasonable adjustments are required, the school will ensure that parents are not expected to contribute to any of the costs incurred.

Where adjustments are deemed unreasonable by the wraparound provider but are necessary for the child to access the provision, parents may be asked to cover the associated costs.

7. ADMISSIONS

7.1 Wraparound childcare provision will be made available to children aged 3 to 11,

The school will have a first come, first served policy for admissions to wraparound provision. When all the places have been filled, new applications will be placed on a waiting list.

The pupil premium may be used to enable disadvantaged pupils to access wraparound and holiday childcare.

8. FEES AND FINANCES

8.1 The school is aware that, for wraparound childcare to be accessible to parents and be sustainable, it must be affordable.

The school will therefore:

- Make places as affordable as possible for parents.
- Support and promote the use of government funding to help with the cost of childcare, such as Tax-Free Childcare and Universal Credit Childcare, by publishing information on the school website, school letters and school newsletters.
- Consider how parents access and pay for wraparound care, such as through mobile applications, and how to administer the government childcare support schemes.
- Benchmark prices against other wraparound provision in the area.
- Determine what charges need to be made to maintain the financial viability of provision.
- Ensure the school has a charging and remissions policy in effect, which is published and available for parents' inspection.

8.2 The school is aware that, for parents to be able to access the Tax-Free Childcare and Universal Credit Childcare government subsidies, the wraparound childcare provision must be registered with Ofsted.

8.3 The school will ensure that any on-site wraparound childcare provision is registered with Ofsted and subject to inspection under the education inspection framework.

8.4 All charges associated with wraparound childcare provision will be applied in line with the conditions set out in the school's Charging and Remissions Policy and the Extended Services Policy.

8.5 In line with government guidance on [charging for school activities](#), any charge made in respect of individual pupils attending wraparound provision will not exceed the actual cost of providing the service.

8.6 Any fees applied will not include an element of subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full fees.

8.7 In line with government guidance on charging for school activities, the school will charge PVI providers a rental charge for using the school facilities to provide wraparound childcare. Any profit generated will be spent for the purposes of the school and community facilities.

The school will exercise financial prudence when taking on additional staff and seek the best rates available.

9.2 Ratios

The school is aware that the staff to child ratios needed will be dependent on the age of children using the wraparound childcare provision and the qualification levels of the staff employed.

9.3 When determining staffing levels, the primary concern of the school will be in ensuring the safety and welfare of children. The school will take into consideration the following:

- How many staff are needed to ensure children the safety and welfare of children
- The types of activity children will be engaged in
- The age and needs of the children, including Special educational needs and disabilities or medical needs

- A process for staff absences to make sure you can continue to meet the correct ratios.
- Enough staff to supervise children when eating or drinking.
- Enough staff to support a child who is taken ill or requires medical attention.

9.5 Where children who normally attend Reception class during the school day, or are younger – aged five or under – attend the wraparound provision, the school will ensure that sufficient staff are employed as stated in the [‘Statutory Framework for the Early Years Foundation Stage \(EYFS\) for group and school based providers’](#).

Provision will cater for up to 50 children at a time, ensuring that there is an appropriate staff-to-child ratio at all times.

9.6 Qualifications and training

The school is aware that, for school-aged children, there are no specific staff qualification requirements, and the school will therefore take responsibility for considering staff qualifications and training requirements.

When considering what level of training is required, the school will consider the individual needs of the children attending the provision and any requirements set out by the relevant regulatory bodies.

If children in Reception year or younger are present, at least one person who has a current paediatric first aid (PFA) certificate will be on the premises and available at all times – the certificate will be for a full course consistent with the criteria set out in Annex A of the Early Years Foundation Stage statutory framework.

10. OFFERING FOOD

10.1 The school is aware that offering food is an optional element of wraparound provision. The school is also aware that, for breakfast or after-school clubs which are either on school premises, or on other premises that the LA or school governing board have requested, it must adhere to The School Food Regulations 2014, which apply to all food and drink provided to pupils on school premises up to 6:00pm.

11. ARRIVALS AND DEPARTURES

11.2 Before-school care

17. BEHAVIOUR

17.1 The school's wraparound childcare services will be subject to the existing Behaviour Policy; disciplinary issues will be reported to the parents of the child.

Repeated breaches of the Behaviour Policy may result in the child being barred from attending the wraparound childcare clubs.

Any outstanding fees paid by the parent will be returned if a child is barred from attending the provision.

18. ANTI-BULLYING POLICY

18.1 The school has a strict Anti-bullying Policy which will be implemented at all times.

Any child who is the victim of bullying will be supported in a sympathetic and friendly manner.

If bullying is reported, it will be noted and investigated by a member of staff and the parents of both children will be informed. The school defines bullying as repeated harassment of others, including psychological, physical, verbal or emotional abuse.
